**Re: In re Payment Card Interchange Fee and Merchant Discount  
Antitrust Litigation  
Civil Docket #1:05-md-01720-JG-JO**

Dear Judge Gleeson:

Pursuant to instructions received from the Clerk of the Court, please accept this letter in support of my request to be removed from the docket sheet as a party requiring notice of filings in the above referenced litigation.

Our office became involved in the Payment Card Interchange Fee litigation as a result of a subpoena served on our non-party client, McKinsey & Company ("McKinsey") on December 27, 2006. On December 6, 2007 I filed a Notice of Appearance in the matter in anticipation of defending my client with respect to a Motion to Compel. All issues relating to the McKinsey documents in response to the subpoena have been resolved and McKinsey has fulfilled its obligations with respect to the production of same. As such, my client and I no longer have any involvement in this case and request that I be removed from the docket sheet as counsel requiring notice of filings. Please note, the Notice was filed using my name at the time, specifically Marion B. Johnson; I changed it to Cooper when I married in 2011.

Thank you for your consideration in this matter.

Very truly yours,

Marion B. Cooper
